We will transition into in-person meetings as soon as it is safe to do so.

Black Parents' Advisory Council

1. Impact district policies and programs
2. Provide a meaningful space in support of
 - a. Family inclusion regarding district activities
 - b. Expressing concerns and sharing solutions
3. Support and promote positive change for black students

See our charter/by laws to learn more about the council functions and operation

Goals

1. Connect district with community concerns for black students attending MPS
2. Elevate the issues and concerns of Black families
3. Amplify the voice of Black Families
