This Broadway Best Musical winner takes you to the remarkable true story of stranded passengers and the small town in Newfoundland that welcomed them. On September 11th, 2001, Americans experienced a tragedy they will never forget. As this took place, all planes were forced to land before reaching their intended destinations. As a result, a small town in Canada was suddenly asked to house and feed 7,000 people they've never met. If you were in their position, how would you respond? How do you show up for others?
