Obtaining a driver's license and driving a car is a privilege that comes with serious responsibility. The following is a list of expectations students must abide by, in order to attend and pass this class:

1. I understand that driving a car is a privilege that comes with serious responsibilities. I will respect my instructor, the guidelines for the classroom and the method of teaching that is presented.
2. I will attend every class session, be on time, and fully engaged in learning at each class session.
