“My IB experience was a roller coaster. I was stressed and happy. I meet a lot of people in the program that I never thought that I would become friends with. In the program I actually got to do things that have to do with my career choice, which I found very helpful. I found this helpful because it helped me narrow down my career choice. I didn't know what I wanted to do in the future, and now I have a very clear idea thanks to IB.”
