

Dear Minneapolis Students: Do you enjoy downhill (alpine) skiing? Would you like to learn how to ski race? Did you know that one of the Winter sports you can learn and enjoy as a Minneapolis public school student is alpine (downhill) ski racing. We call ourselves the Minneapolis Alpine Ski Team (MAST). Over 100 student-athletes join our team every year and we would like to welcome even more MPS students to our ski team for the 2021-22 season.

MAST is open to Minneapolis students in grades 7-12. Everybody races as part of a team, either varsity or junior varsity. No racing experience is necessary. We offer excellent coaching and training, a fun and friendly team atmosphere, exciting competitions against other high school ski teams, and the chance to participate in the fastest, non-motorized sport in the world!

Here is the best part: with hard work and lots of practice, you will become an expert skier. And you will have a great sport to enjoy for the rest of your life.

Learn more about MAST by checking out our website at [www.mplsalpineski.org](http://www.mplsalpineski.org). Download the [2021-22 MAST Fact Sheet](#). We will be holding our preseason Alpine Skiing Information Meeting online this year. Be sure to fill out the [NEW Athlete Inquiry Form](#) so we can keep you up to speed about all preseason meetings, equipment, schedules, and registration. You can also contact our Head Coach, Mark Conway, 612-275-8392, or email [markrobertconway58@gmail.com](mailto:markrobertconway58@gmail.com) if you have additional questions. It is never too soon ---or too late--- to learn to ski race.
