Ina Ziegler Receives Fulbright Award

Ina Ziegler of Roosevelt High School in Minneapolis, Minnesota has been selected for the Fulbright Distinguished Awards in Teaching Short Term (Fulbright DAST) Program to Vietnam, a program sponsored by the U.S. Department of State and the Fulbright Foreign Scholarship Board.

Ina Ziegler is one of 12 U.S. citizens who will travel to 6 countries around the world in 2021 on the Fulbright DAST Program. Recipients of Fulbright grants are selected on the basis of academic and professional achievement, as well as record of service and demonstrated leadership potential.

[The Fulbright Program](#) is the flagship international educational exchange program sponsored by the U.S. government and was created to increase mutual understanding and build lasting connections between the people of the United States and the people of other countries. The primary source of funding for the Fulbright Program is an annual appropriation made by the U.S. Congress to the U.S. Department of State's Bureau of Educational and Cultural Affairs (ECA). Since its inception in 1946, the Fulbright Program has given over 390,000 passionate and accomplished students, scholars, teachers, artists, and professionals of all backgrounds and fields the opportunity to study, teach and conduct research, exchange ideas, and contribute to finding solutions to important international problems. The global network of Fulbrighters fosters mutual understanding between the United States and partner nations, advances knowledge across communities, and improves lives around the globe.

Fulbrighters address critical global challenges in all fields, while building relationships, knowledge, and leadership in support of the long-term interests of the United States. Fulbright alumni have achieved distinction in many areas and include 60 Nobel Prize laureates, 75 MacArthur Foundation Fellows, and 37 who have served as a head of state or government. Eighty-six Fulbright alumni have won in total 91 Pulitzer Prizes.

Fulbright is active in more than 160 countries worldwide and partners with participating governments, host institutions, corporations, and foundations in foreign countries and in the United States. Many of these organizations also provide direct and indirect support. ECA sponsors the Fulbright Program, and several non-profit, cooperative partners implement and support the program on the Bureau's behalf.

The Fulbright Distinguished Awards in Teaching Short-Term Program sends expert U.S. K-12 educators to participating countries to support projects in schools, teacher training colleges, government ministries, or educational nongovernmental organizations, as identified by U.S. Embassies and Fulbright Commissions.
